

Dear Sir

“Mobile to Sports” campaign is a new initiative of the Government of Gujarat launched by Hon’ble Chief Minister on 01 October 2020 to attract more youth towards Sports, Yoga, Physical Activities (leaving the habit of spending too much time on mobile!)

During this corona pandemic this initiative achieves even greater significance! All of us have children or grandchildren or relatives who can benefit from this campaign!

Further Sportspersons Employment Guidance & Advisory Centres have been started in the District Sports Offices in all 33 Districts of Gujarat to assist sportspersons to get jobs through sports quota in various organisations.

Please circulate the below mentioned links in Public Interest amongst maximum number of players and anyone associated with or interested in sports/yoga so that maximum number of people benefit from the Information provided in the below mentioned TWO Facebook and You Tube Channels!
